Dr. Neuzil's Irrigator Now Available in Select Central Florida Walgreens

Just in time for spring allergy season, herbal-enhanced saline nasal spray provides relief from sinus irritation due to pollen, dust, dry humidity, pet dander and other pollutants

Lady Lake, Fla. (March 29, 2012) – Allergy sufferers in Lake, Marion and Sumter counties can now find immediate relief from sinus irritation at local Walgreens. *Dr. Neuzil's Irrigator* nasal cleansing spray is available at 10 Walgreens locations in Belleview, The Villages, Lady Lake, Leesburg, Okahumpka and Eustis (<http://www.IrrigatorNasalSpray.com>).

Dr. Neuzil's Irrigator's saline formula is enhanced with natural essential oils which help soothe and moisturize irritated nasal passages leaving the user feeling refreshed. Unlike other common nasal therapies, such as the Neti Pot or sinus rinse, it is easy to use and fits easily in a handbag, briefcase, backpack or golf bag. The 1 fl. oz. bottle is T.S.A approved for airline travel in carry-on luggage.

The spray is available in more than [100 locations](#) including Walgreens, natural product and health food stores, e-tailers and medical practitioner offices.

"The addition of Walgreens to our nationwide distribution is an important accomplishment in our efforts to introduce *Dr. Neuzil's Irrigator* to a mainstream consumer audience," said Ed Neuzil, ARNP, PhD and founder of *Dr. Neuzil's Irrigator*.

Suitable for children four years and older, *Dr. Neuzil's Irrigator* nasal cleansing spray recently was awarded the Parent Tested-Parent Approved Seal of Approval after a panel of unbiased parent volunteers tried the spray on themselves and their children and loved it!
